

HAWAII

In the most recent ASCE Report Card for Hawai'i Infrastructure, [the state earned](#) a cumulative grade of a "D+." The Infrastructure Investment and Jobs Act (IIJA) provides significant new funding to improve the condition of Hawai'i infrastructure systems and better ensure our infrastructure is prepared for the future.

AVIATION: Hawaii is home to 8 major airports that will benefit from the \$25 billion in increased airport infrastructure funding provided over 5 years from the IIJA.²⁵

BRIDGES: 7% of Hawaii's bridges are in poor condition and considered structurally deficient. The IIJA provides \$40 billion in new funding for bridge repair, replacement, and rehabilitation – the single largest dedicated bridge investment in over 50 years.²⁶

ROADS: Hawaii has a roads infrastructure funding gap of \$23 billion over twenty years.²⁷ The IIJA would provide \$1.5 billion in additional funding over the next 5 years.

PORTS: Hawaii is home to 6 major ports that will benefit from \$17 billion in new infrastructure funding over 5 years from the IIJA.²⁸

WASTEWATER: Since 2016, Hawaii has received, on average, more than \$8.5 million annually to finance wastewater projects through the Clean Water State Revolving Fund Program.²⁹ With IIJA funding, the state is set to receive roughly double that for the next 5 years.

DRINKING WATER: Hawaii reports a \$1.2 billion drinking water investment gap. The IIJA provides \$55 billion to upgrade the nation's water infrastructure.³⁰

DAMS: Hawaii has 124 high hazard potential dams.³¹ The IIJA provides \$585 million for high hazard dam rehabilitation and \$148 million for dam safety programs.
