

## **NEW YORK**

**The Infrastructure Investment and Jobs Act (IIJA) provides significant new funding to improve the condition of New York's infrastructure systems and better ensure our infrastructure is prepared for the future.**

**AVIATION:** New York is home to 24 major airports that will benefit from the \$25 billion in increased airport infrastructure funding provided over 5 years from the IIJA.<sup>77</sup>

**BRIDGES:** Nearly 10% of New York's bridges are in poor condition and considered structurally deficient. The IIJA provides \$40 billion in new funding for bridge repair, replacement, and rehabilitation – the single largest dedicated bridge investment in over 50 years.<sup>78</sup>

**ROADS:** To achieve a state of good repair on the NHS in 10 years, New York State DOT needs an additional \$2.5 billion annually for pavements and bridges, as compared to the current funding level of \$875 million. Under the IIJA, the state is set to receive \$13.6 billion over five years.

**PORTS AND INLAND WATERWAYS:** New York is home to 5 major ports and 390 miles of inland waterways that will benefit from \$17 billion in new infrastructure funding over 5 years from the IIJA.<sup>79</sup>

**WASTEWATER:** Since 2016, New York has received, on average, over \$181 million annually to finance wastewater projects through the Clean Water State Revolving Fund Program.<sup>80</sup> With IIJA funding, the state is set to receive roughly double that for the next 5 years.

**DRINKING WATER:** New York reports a \$22.8 billion drinking water investment gap.<sup>81</sup> The IIJA provides \$55 billion to upgrade the nation's water infrastructure.

**DAMS:** New York has 424 high hazard potential dams.<sup>82</sup> The IIJA provides \$585 million for high hazard dam rehabilitation and \$148 million for dam safety programs.
