

2026

ARIZONA INFRASTRUCTURE FACTS

IIJA Funded Projects

I-10 Expansion Project:

This \$95 million award will widen approximately 10 miles of I-10 in the Gila River Indian Community and Pinal County from two lanes to three, improve interchanges, and replace low-clearance bridges, resulting in enhanced safety, reduced congestion, and improved freight mobility.

Gila River Indian Community Water Projects:

This \$118 million award will build a reclaimed water pipeline and crop irrigation system to conserve 200,000 acre-feet of water, resulting in improved drought resilience and sustainable water management in the Colorado River Basin.

San Luis I Land Port of Entry Modernization:

This \$200 million award will modernize and expand the San Luis I Land Port of Entry, doubling vehicle inspection lanes and boosting pedestrian inspection capacity by 40%, resulting in faster border crossings and new job opportunities for local communities.

As of January 2025,

\$11 billion

has been distributed across Arizona from the Infrastructure Investment and Jobs Act, funding

1,283 projects.

Infrastructure At A Glance

\$10.4 billion

Amount in damages from \$1B+ disaster events experienced since 1980

\$20.1 billion

in wastewater needs

8,587

bridges: 1% of which were structurally deficient in 2025

368

miles of levees protect 464,000 residents

66.6 million

passenger trips across 45 systems

162

high-hazard dams

54% of roads are in poor or fair condition

Each motorist pays \$871 driving on roads in need of repair, and every resident loses \$1,227 to crashes

\$28.4 billion

Total drinking water need

Produced in December 2025, but data years vary.
